# **Courthouse Project Update 03.20.20**

WRITTEN UPDATE IN LIEU OF PHYSICAL MEETING MONTHLY MEETING SERIES: next scheduled instance, 03.26.20 New and/or updated items indicated by bold italics

#### 1. Schedule

#### a. Schedule

#### Current Status:

- COVID-19 EFFECTS: Per contract, Hoffman has notified the County of potential cost and schedule impacts from the coronavirus outbreak. These will be identified and quantified once they are known to Hoffman and the Project Team.
- Hoffman obtained sign-off for Addition occupancy.

## Resolved:

- Hoffman absorbed impacts from the weather events of 1/13 to 1/15 without adding days to the project schedule.
- Hoffman's previously reported schedule extension request, resulting from a series of requests for information regarding interior framing and window trim, was resolved without adding days to the project schedule.
- Hoffman's exterior cladding subcontractor is still on a recovery schedule due to delayed mobilization. The exterior cladding, which is nearing completion, is a non-critical path item which has not impacted substantial completion.
- o Elevators are complete and operational, a condition of building occupancy.
- Per contract, Hoffman is required to notify the County of any potential schedule impacts.

# b. Upcoming Activities – see also 5.a-5.b. and 6.a.-6.e.

Continue relocations of building tenants to the Addition; complete the landscaping surrounding the entrance and accessibility ramp; complete connections between the Courthouse and Addition on Levels 3 and 5; continue early structural work above ceilings in the Commissioner Courts chambers and Clerk Confirmations areas; commission the Addition's building systems; begin closing off and disconnecting utilities in the existing Courthouse (east side of Level 1 and selected areas of other floors); prepare to renovate the existing Courthouse elevators.

#### c. Progress to Date

Obtained sign-off for Addition occupancy; tested and calibrated the lobby magnetometers and x-ray machines ahead of the Addition opening; completed the Addition elevators; began relocations of building user groups from Levels 1 and 2 of the existing Courthouse; installed audio-visual equipment in conference rooms, offices, and assembly spaces; poured the concrete slab, accessibility ramp, and steps for the new entrance plaza; completed 90% of the Addition's building skin; set carpet tile and rubber base on Addition Levels 2 through 5; set ceiling tiles on all levels of the Addition; built both Addition elevator cars; poured the planter wall footings on the north and east sides of the Addition; installed cabinetry on all levels of the Addition; performed renovations in Courtrooms 2B through 2E and 5A through 5D.

#### 2. Contract Metrics

a. Hoffman given Notice To Proceed: 7/30/2018

b. Phase 1 Projected Completion: 3/12/20

c. Phase 2 Substantial Completion: 3/4/21

- Reflects non-compensable time extensions to cover delays resulting from removal of contaminated soils and the remnants of the old County Detention Home, and from the February 2019 snowstorms.
- d. Original Project Budget (approved by Council 7/30/2018): \$76,579,770
  - Adjustment due to removal of art allowance: -\$441,417

• Revised Project Budget: \$76,138,353

e. Work Complete and Invoiced Through 1/31/20: \$46,457,062

### 3. Changes

None at this time.

## 4. Upcoming Project Decisions Needing Court Input

Due Date	Item

## 5. Stakeholder Concerns

- a. **Connections Between Courthouse and Addition** Crews will connect the Addition and Courthouse on Level 3 after the Addition opens. The existing restroom needs to be demolished.
- b. **Phase 2 Office Move Plan** The general Phase 2 office moves plan will be distributed by Facilities and Fleet Management. Lynn Gray from Facilities is working with each building user group on moving specific offices and individuals at specific times, once their destination spaces are ready.
- c. **Minimizing Noise Disruptions** The Project Team continues to provide advance notice to Superior and District Courts regarding activities which may carry major noise impacts, especially those which must continue in order to maintain schedule.

### 6. Announcements / Action Items

a. **Ribbon-Cutting Ceremony Postponed** – In light of recent events in the State of Washington and in an abundance of caution, the formal ribbon-cutting ceremony for the Addition is being postponed until public health concerns have subsided.

#### b. Congratulations and Thank-yous:

i. Mark Thunberg retired last Friday after 13 years of distinguished service as Director of Facilities and Fleet and a long facilities management career, which has included tenures with Microsoft and Safeco. The Project Team wishes to thank Mark for his calm leadership, mentorship, and, equally important on a project such as this one, sense of humor.

- ii. Trent Dibble, Project Superintendent for Hoffman Construction, has retired after more than 40 years in construction. A straight-shooter who developed an easy rapport with project stakeholders on all sides, Trent will be a hard act of follow.
- c. **Restroom Closures** Public restrooms on Courthouse Levels 2 and 4 are closed so that crews can make a connection between the Courthouse and Addition.
  - i. Posted signs direct building users and visitors to other floors, or to the men's room on the  $2^{nd}$  floor of the Mission Building.
  - ii. The men's room on  $2^{nd}$  floor has been converted to a women's room.
  - iii. Departmental restrooms on 4<sup>th</sup> floor will not be affected.
  - iv. Closures are forthcoming on Courthouse Levels 3 and 5. Crews are working on access corridors between the Courthouse and Addition.
- d. Current and Upcoming Courtroom and Chambers Work (2019-20)
  - i. **3A (District Court Department 2)** Nearing completion.
  - ii. **Commissioner Chambers Early Phase 2 Work (2019-20)** Install above-ceiling structural steel elements in two Court IT offices on Level 1, then continue with selected Commissioner chambers.
    - The IT offices will serve as swing space for Commissioners displaced by structural steel and shear wall work performed before and during Phase 2.
    - o Facilities has installed a new temporary door to close off this hallway.
- e. **Meetings Going Forward** Our next three scheduled meetings are March 26, April 23, and May 28. We will advise of any alternate meeting / teleconferencing arrangements, or of any cancellations or postponements, which may arise due to recent public health concerns.
